

MOVING YOUR STUDENT

Moving your student is an exciting time! Below are some resources to help your family make the transition as smooth as possible.

MOVE-IN: Sunday, August 18 – Monday, August 19, 2024

Before move-in, all students are required to sign up for a move-in time. Your student will be eligible to register for a move-in time starting Monday, July 8 at montana.edu/housing/halls/moving_in.html.

TRANSPORTATION TO CAMPUS

There are a variety of rental car companies and ride share services available in Bozeman. Taxi and Uber rides are common from the BZN airport to campus. The Streamline Bus is Bozeman's free public transportation system that services the Gallatin Valley. You can learn more about the routes and services of Streamline at streamlinebus.com.

PARKING AND CHECK-IN

Prior to move-in, you will be provided with a temporary parking credential that allows parking near the residence halls to check-in and unload your vehicle. When you arrive at your students' assigned residence hall, University Student Housing staff will be ready to greet you and help you check-in. Your student will be provided with their room key and CatCard (MSU Student ID) at that time.

If your student is bringing a vehicle to campus, they must purchase a permit to park on campus prior to move-in. A parking permit can be purchased through Parking Services starting August 1 at montana.edu/parking.

WHAT TO BRING

Your student's room will include a closet, trash can, desk, chair, and bed (a regular twin bed for students in the Quads and Roskie Hall, an extra-long twin bed in all other residence halls). We recommend bringing desk items, shower items, laundry items, linens, appliances, and any other items for your student to make a home away from home! Microfridges are available for rent. A full list of recommended items to bring with you is available at montana.edu/housing/halls/moving_in.html.

SHIPPING ITEMS AHEAD AND MAILING ADDRESS

Students can ship their personal belongings ahead of time! Student Housing will start accepting mail and packages for students on August 12. For large furniture purchases, students can order online and have items shipped to the local store in Bozeman for pick-up. Please reach out to housing@montana.edu with questions. To receive mail on campus, students can share their campus mailing address with family and friends! Make sure they log into their MyInfo account and update their personal information with the appropriate address.

STORAGE

Depending on your student's residence hall, additional storage is available for seasonal outdoor equipment. Ski and Bike Lockers sign-ups for Hyalite, Yellowstone, and Hapner students will be available at montana.edu/housing/halls/moving_in.html in July.

LAUNDRY

CatCard operated washers and dryers are available in the residence halls in a central location or on individual floors. You can deposit money onto your students' CatCard to use the laundry facilities at montana.edu/catcard.
