

## Raising the Bar: Increasing Educational Outcomes for American Indian Students in Montana

We will explore the complex issues and factors surrounding achievement gaps; national, state and local level achievement data from a variety of sources; research-based practices and innovations in Indian country; and the Office of Public Instruction's efforts and commitment toward ensuring educational success for American Indian students.

### Presented by the Montana Office of Public Instruction:

- Mandy Smoker Broaddus (Assiniboine and Sioux)  
*Director of Indian Education*
- Michael Munson (Salish)  
*Indian Student Achievement Specialist*

*This workshop is worth  
1 unit toward the  
Certificate of  
Teaching Enhancement.*
