

Assessing Critical Thinking and Writing

How does one go about assessing critical thinking and writing in the classroom? Join the Assessment of Learning Committee from the College of Business for an in-depth panel discussion on how they have done assessments in their own classes.

The discussion will include several topics related to the assessment of critical writing and thinking, including:

- *Importance and value of assessment*
- *Description of the College of Business assessment process*
- *Challenges of improving critical thinking*
- *Challenges of improving writing*

The panel will open the floor to a question and answer session following the presentation.
